

**Biofertilizer / digestate:
Securing the whole value chain.
How to turn digestate from a cost to an asset?**

European Compost Network ECN e.V.
info@compostnetwork.info

Outline

- **Overview of digestate production, fertilizer regulation and the role of Quality Assurance in Europe**
Stefanie Siebert, European Compost Network (ECN)
- **Developments in upgrading digestate for alternative uses - Case studies from Germany. Pelletizing - Drying - Liquid separation**
Florian Strippel, Fachverband Biogas Germany.
- **State of the art. Digestate used as valuable organic fertilizer in Sweden**
Caroline Steinwig, Avfall Sverige Sweden
- **From bio-waste fertilizers to biomethane, an Italian success story of integration**
Alberto Confalionieri, CIC Italy.
